PROFILE

Alina Mihaela Dima is a keynote academic and professional in economics, particularly concerning the European business environment, leadership and performance management, international business and banking techniques and operations. Highly focused on refining the quality of the educational process, she occupies important leadership positions as she is currently a member of CNATDCU and CNCSIS Romania, and she is part of Bucharest University of Economic Studies Senate. Reflecting continuous interest for research improvement, she is also the Vice-rector on Research, Development and Innovation at Bucharest University of Economic Studies. In this role, she conducts consistent efforts to enrich the research prestige of the university by managing various research events and projects, for example the International Conference on Economics and Social Sciences (ICESS). Prior to these leadership roles, she was the Head of the UNESCO Department for Business Administration, at the Faculty of Business Administration in Foreign Languages (FABIZ), Bucharest University of Economic Studies and the director of the Center of Research on Entrepreneurship and Intellectual Capital at FABIZ. Acting with integrity and strong academic focus, she received documentation traineeships and prizes for outstanding research results from renowned institutions, for instance the Romanian Economic University Association, the Romanian Scientist Academy and the Delegation of the European Commission in Romania.
